Title: Advanced Biofuel Payment Program

OMB Number: OMB No. 0570-0063.

Expiration Date of Approval: December 31, 2020.

Type of Request: Revision of a currently approved information collection.

Abstract: The Advanced Biofuel Payment Program was authorized under section 9005 of Title IX of the Food, Conservation, and Energy Act of 2008 (2008 Farm Bill). It authorizes the Agency to enter into contracts to make payments to eligible entities to support and ensure an expanding production of advanced biofuels. Entities eligible to receive payments under the Program are producers of advanced biofuels that meet all of the requirements of the Program.

This revision reflects a 584 decrease in annual responses and a 507 decrease in burden hours. The reduction in the burden to the public reflects a full accounting of all Rural Development (RD) forms that must be provided by participating producers. The estimated burden includes accounting for the Assurance Agreement (RD 400-4) and the Certification for Contracts, Grants and Loans (RD 1940-Q). The total estimated costs to the public was decreased by \$16,879 per year, from \$66,096 to 49,217.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 0.89 hours per response.

Respondents: The respondents are the advanced biofuel producers and Agency staff who process applications and quarterly payment requests.

Estimated Number of Respondents: 206 advanced biofuel producers

Estimated Number of Responses per Respondent: 1

Estimate Number of Responses: 1,500

Estimated Total Annual Burden on Respondents: 1,339 hours
